12. Annexure 1: List of Assignments from 2011

2011

- **Innovision, media agency, Mumbai**
 - As knowledge partner, guided the creative, production and marketing team in conceiving the TV programme in Sahara One at prime time, which aired success stories of SMB (in western and northern India) and information about their products. Unlike advertisement slots which are short and expensive, this TV programme provided space for business to create visibility for their brand and thereby increasing the sales. Some of the episodes aired in Sahara One are available in <http://www.youtube.com/user/InnovisionMedia>
 - Episodes also have interviews with experts, for example CA, explaining how to run small and medium business efficiently, filing of tax, forms to be used, periodicity, etc.
 - Episodes provided information industrial and development opportunities for starting new ventures
 - Episodes also documented CSR activities, NGOs working in slums and poor socio-economic settings and entrepreneurs in BoP segments
 - An episode on CSR identifying the need to enhance awareness on CSR, what is CSR and what need not be CSR
 - Instituted an award for SMB including social enterprises.
- **Synovate India Pvt. Ltd.**

- Part of a team that conducted a study in Kolli hills to assess social and environment impact of proposed 20 MW hydro-electric power generation plant, five check dams and conduits linking these five dams to power plant. (Co-investigator: 1998).
- Member of Tamil Nadu Environment Council (TNEC) with specific responsibility of representing TNEC in various meetings, conferences and Seminars; and organise training workshops for member NGOs (1997 –99).
- Conducted extensive fieldwork along the East and West coasts of India to collect data on the indigenous navigation traditions and ethnography of the communities involved. Specifically fieldwork was undertaken in West Bengal, Kerala, Karnataka, Tamil Nadu, Gujarat and Maharashtra. Consulted various Libraries, Museums and Archives to compile various source materials on navigation and boat building from the earliest time to the present (Research Associate - CSIR: 1993-94).
- Population, resources and culture. A study (Ph.D thesis) to understand adaptation of forest dwelling tribal community in adapting to existing access to land, water and forest resources. Most of the households were below poverty line. The study identified livelihood options, strategies for improving health and education and overall development of the area (1985-1991)
- Consulted Madras archives to collect information on Plantation Labourers for the years 1880 to 1920 (Research Assistant: 1992).
- Collected data and completed a report on Kuravars of Tamil Nadu (all the districts) for the People of India project, Anthropological Survey of India (Research Fellow: 1987).
- Assisted Malcolm Rodgers, London School of Africa and Oriental Studies, for collecting data in the village Kumaramangalam, near Chidambaram, Tamil Nadu (Research Assistant: 1985).
- Assisted Prof. S.B. Mani, Slippery Rock University, USA in preparing and publishing a population Chart - India (Research Assistant: 1985).
- Submitted a dissertation on the demographic aspects of Irulas tribe in Tamil Nadu as a partial fulfillment of M.A. Anthropology (PG. Student, Department of Anthropology: 1985).

13.7. Consulting and research in Education sector:

- A study on primary school teachers' views, perception, and attitudes in order to understand and identify the factors that impact their motivation. Teachers' consultation were organized in eight states across all four regions. Azim Premji Foundation (Technical Advisor, 2006)
- Advisor to JEEVIKA, a network of NGOs in Karnataka for eradication of Bonded Labour. Analyzed socio-economic and educational data of 22,000 bonded labourers in nine districts of Karnataka, JEEVIKA (1998-99).
- Baseline and evaluation study of Integrated Water and Sanitation Projects in 15 districts, across six states – school component. UNICEF (Principal Investigator: 2001-02).
- Prepared a GIS for Kodagu District in Karnataka to be used for documentation and educational training by CEE (2001)

- Published a paper on Mandal Commission and After..., highlighting issues of education, reservations and affirmative action.

13.8. Consulting and research in MCH, HIV/AIDS, Water and Sanitation:

- Dipstick survey and qualitative assessment in Gujarat to develop a communication strategy for Reproductive and Child Health programmes in Gujarat. MICA (Project Associate, 2005)
- Assessment of user needs for introducing a diagnostic device- a health product for developing countries. The data was collected in India, Nigeria and Zimbabwe. PATH (Project Advisor, 2006)
- Part of creative team for developing the communication campaign for Maharashtra AVERT funded by USAID (Technical Advisor, 2003).
- Study to determine Condom Coverage in four high prevalent states being supported by interventions through BMGF (Technical Advisor, 2005)
- Mapping of high risk behaviour groups and vulnerable population in all the 64 districts of Madhya Pradesh and Chattisgarh. DFID (Team Leader, 2002).
- Mapping of seven high risk behaviour groups in 22 districts in Maharashtra. AVERT funded by USAID (Technical Advisor, 2002-2003)
- Mapping of high risk behaviour groups in select cities in Jharkhand. AVERT funded by USAID (Technical Advisor, 2003)
- Mapping of health care providers and health provider survey in Karnataka, Karnataka Health Systems Development Project. KHS DP funded by World Bank (Technical and GIS specialist, 2004)

13.9. Geographical Information System:

- Conceived and developed a comprehensive GIS for processing the information collected through mapping study in Madhya Pradesh and Chattisgarh. DFID (2003)
- Conceived and developed a comprehensive GIS for processing the information collected through study of Maharashtra. AVERT funded by USAID (1999)
- Prepared a GIS for Kodagu District in Karnataka to be used for documentation and educational training by CEE (Centre for Environment and Education), showing various information including hospitals, post offices, etc (2001).
- Prepared thematic maps for locating targeted interventions for HIV/AIDS prevention in Tamil Nadu for AIDS Research Foundation of India, which was later used for preparing the PIP for Tamil Nadu State AIDS Control Society (1998).
- Prepared a demo GIS showing health care and pharmaceuticals in Anna Nager in Chennai, IIT (1998)

13.10. Training and Capacity Building:

Organised and participated in number of training and dissemination workshops for various studies carried out in SEDC – over 200. Given below is representative experience in capacity building across sectors:

- Capacity building of HRGs – FSWs, MSMs, IDUs and TGs – for mapping HRGs and migrants in Maharashtra and Chattisgarh. NACO, Ministry of Health and Family Welfare funded by World Bank, 2008

- Participating in proposal writing workshop in Chattisgarh organised by TSU and CGSACS in Raipur – 2008
- Organizing and conducting two stakeholder workshops for TB programme staff – Tamil Nadu and Maharashtra – for pre-testing of TV spots for RNTCP II and ACSM. CTD, Ministry of Health and Family Welfare, 2008
- Capacity building of District level stakeholders - District administration, line departments, NGOs, and CBOs – for preparing District Level Health Action Plan for NRHM in five districts of Uttarakhand, Constella Futures Group funded by USAID, 2007
- Capacity building of District level stakeholders - District administration, line departments, NGOs, and CBOs – for preparing District Level Health Action Plan in five districts of Uttarakhand. Constella Futures Group funded by USAID, 2006
 - industries (CASA) in the coastal states of India - 1995.

13.11. Visual documentation:

- Documentation pre-programme implementation of Female Condom Programme in India, HLFPT and NACO (Team Leader - 2007)
- Documentation of school teachers perception of schools education. Azim Premji Foundation (2005)
- Organised and involved in the visual documentation of Indigenous Navigation system in Indian Ocean, sponsored by IGRMS (1996).
- Organised and involved (Associate Director) in the making of a documentary film on the fishermen of Tuticorin, Tamil Nadu (1995).

13.12. Website designing, content developing and managing / moderation

- www.tspasia.org
- www.devex.com/serc
- www.hubsukma.org (Website documents humanitarian assistance provided by UNICEF with funding support from ECHO. SEDC provided management and technical assistance. Components of humanitarian assistance are provision of water and sanitation services, IPC with school children and IDPs, community mobilization for maintenance of WASH provisions, water quality testing and capacity building of district stakeholders)
- www.hubelections.org: This website advocates for including development issues during electioneering process. Sensitizing political parties, candidates and voters of the importance of development issues in political agenda of a country is the primary objective. Currently, hubelections.org tracks election lower house of Indian parliament, one world's largest democracy.
- www.hubenergy.org: This site explores clean and green energy options. It advocates for changing mindset from energy consumption to energy conservation.
